TO WHOM IT MAY CONCERN.

Dear Sir/Madam,

RE: RECOMENDATION LETTER FOR MAKAMBI ENTRIX. I.D No. 38886441.

The above named person was attached in our maintenance department from 1st August 2022 to 23rd Dec 2022.

During this period, he participated in scheduled and unscheduled maintenance on our company fleet of Dornier 228 series aeroplanes powered by TPE331 series engines.

Entrix was hard working and very eager to learn.

He also engaged very well with our fellow maintenance department personnel.

Regards,
Stephen Kimani
Head of Line and Base Maintenance
